“ *Grandma Carlene: losing the man that has been by your side forever is an unimaginable feeling and I am so sorry that you are going through that. Linda: losing the man that you thought hung the moon and stars just for you is a feeling that I have experienced and there are no words I can say to make the pain go away. David and Jonathan: Your grandpa was the man you looked to for wisdom and guidance. Losing him is hard, but try to live your life in a manner that you know he would be proud of. I Love you all!*

“ So sorry to hear of Chucks passing. He was a great cousin. I remember our childhood experiences; Detroit Time Trips, My bike rides from the East side to the West side of Detroit to visit the Kneebones, my first car the Hudson trips to the West side. During the later years we got together in San Diego, Breckenridge, CA, Los Vegas, Hawaii and Detroit. May he rest in peace. Our best wishes to his family.
