“ *Our paths crossed just about every day on the plant floor at Sterling. He'd give me a lift to a meeting or we'd grab a quick coffee break and he'd talk about his adventures fishing. He was especially happy when talking about the time he spent with his granddaughters. He always made people smile. I'm sorry to his family for your loss.*

“ *Memories - So many for over 27 years. Good, Bad, and sad. But they were all special because they were with the love of my life, and my best friend. He brought so much happiness with his bright sense of humor and his positive attitude. We always had fun and life was an adventure with Charlie. He cared for his family and friends very much. He will be missed so very much, and he will be in my heart for ALWAYS.*

“ To the family of "Chuck" Lauria; Please accept my most heartfelt sorrow for your loss.
I worked with Chuck at the Ford Sterling Plant. His smile and cheerful greeting every day to his fellow workers was his signature feature. He was a very passionate member of the Local UAW 228. Chuck and I served on many Employee involvement committees. We did not always see eye to eye but managed to come to agreements that always seemed to benefit everyone. Chuck was not only well respected by his fellow UAW brothers and sisters but also the Management of the Ford Sterling Plant. By these tributes it sounds like the same was true outside of work. May Chucks' soul and the souls of all the faithful departed rest in Peace. Amen.

“ *I will always remember our times on Jose Lake. Early in the morning before anyone else was out there, we would take our coffee and just sit in the boat watching the water spouts on the lake. I will cherish those memories forever. Your motto was, " Its not the destination, it is the journey."*
Well, your journey has ended but I know your destination is heaven. Until we meet again, I will always love you. Aunt Jo

To the family of Cloudy: So sorry for your loss, Chuck was the first person to reach out to me when I became a SQRT. We didn't away's see eye to eye but his insight and knowledge in a tight situation was always helpful. We had a lot of laugh's together over the years. RIP, Best of Wishes, Jim French, Jr., SQRT Brother, UAW Local 228.
