“ I saw this notice in the paper and right away I thought of Chuck Opie who graduated with me at Shrine High School in Royal Oak in 1959, Any chance this is the same one?
My condolences, regardless. It is always hard to lose someone.

“ Beth
I was sorry to see in the paper that your Father had passed. I know you were the apple of his eye and he cared so much for you. I worked with your Dad at Comerica along with Marge Trendal who we also lost this year. They were both good friends and good people. May your memories of the good times help you through your loss.
