“ This is a heartfelt message from Chuck's dear friend Ron Carps who worked with Chuck at Kenametal .We continued to be life long friends. Was able to visit Chuck whenever I returned to Michigan. He was the smartest man I ever knew. Admired both him and his restored antique car.
May God hold him in the palm of His hand.

“ How do you put a lifetime of memories into one paragraph? How do you put into words all of the things you wish you still had time to say? How do you stop the breaking of a heart? Amy, Kurt, Paul, Amanda, Tina, Chris, Adam, Ryan, Gabby, Hudson, Hazel and Aunt Marge may the love and memories you share bring you comfort in the days to come. May he soar with the angels and watch over us all. With deepest sorrow and sympathy,

“ Cousin Chase was always a special person. I remember many visits to his home and at family gatherings, Chase was always open and engaging. He would light up my Dad, Uncle George to him, with conversation and sometimes they would sing to Mitch Miller. Be secure that he has left a mark on the world. God grant you peace.

“ Dear Family of Charlie,

Charlie and my father, Charlie Kirk, were very good friends. They both owned Hudsons and belonged to the same car club. My 3 siblings and I remember well, Charlie and my dad visiting and talking about their beloved cars. I am not sure when they met, but it may have been around 1970. Charlie was one of my dad's closest friends until my parents moved to Clare about 30 years ago. Our family is praying for you and extends our deepest sympathies to your family.

Indeed he was Bro. One memory was when Paige was about one and Pops and Mom were watching her. I don't exactly remember why they had to leave abruptly, but Uncle Charley came to watch her until I could get off work.

He will certainly be missed by us. I'm sure the kids will miss having lunch with him at Theo's
