“ Dad, my life will never be the same now that your gone, your absence will be forever felt within my heart. The thought of not picking up the phone and talking to you, or seeing you is so overwhelming to me. I know that you will always be my angel looking over me and protecting me. I can't see you anymore, but your presence will always be felt. I love you. . . Your loving daughter##imported-begin##Wendy##imported-end##

“ My heart is broken in a million pieces. Our lives will never be the same without our dad. I have so many great memories that included my dad and cannot imagine him not being around. I love you dad so very much and miss you more than I can ever express in words.
