“ Chuck will be sadly missed. He was a great person and ment a lot to our family. I miss him coming over at least once every other day, " hay Bob you got a smoke". He always thought of Hannah and Matthew if the icecream man came he would get the kids an icecream.We all will miss bowling on Wii with him.He will be remembered as Cuck. Little Matthew called him that so that became his new name at our house. Chuck you will always be that about not forgotten.##imported-begin##Tyson and Bobbie Gasiorowski##imported-end##

“ Chuck has treated me like a son since the day i asked his permission to marry Lynnae, that was 12 years ago and it seems like a lifetime has come and gone. He was like a friend as well going to car shows,drag racing,and just talking too. I am sorry that my children only had a limited time with him, he had so much to offer and share. Although he will not be here he will live on, we love you (shakes) you truly will be missed.##imported-begin##jason wilzek##imported-end##

“ I've known Chuck for many years, we worked for the same company,and he is my son's father-in-law. In so many ways, he has been a father figure to him. We always had a great time at holidays when we all got together. He will be missed very much, and will always be in our hearts. Our prayers and thoughts are with the family.##imported-begin##Denise Paul##imported-end##

“ I will miss Uncle Chuck and that wonderful laugh!! He was/is a very special man to myself and sisters. He always had a way to put a smile on everyone's face. My thoughts and prayers are with him and his wonderful family! He is our angel now, smiling down. I feel safe knowing he is watching over us. I love you Big Daddy and will miss you very much. Forever in my heart,
Love,

“ I had the distinct pleasure of crossing paths with Chuck as a co-worker at Venture Industries. It was more years ago than seems possible. Many lunchtime breaks spent playing euchre or talking hotrods.
If it was summertime and I got to work at the right time, I would sit outside and listen for Chuck's notice that he was on his way. The song of a big Motor City V-8 powerplant could be heard and we all knew Chuck was on his way.
His willingness to help others was a standout characteristic I always admired.
To the entire Konieczki family, please accept my family's offer of heartfelt condolences.
Sincerely yours,
Mr. Michael S., Ann, and Michael J. Miller###imported-begin##MICHAEL S. MILLER###imported-end##

“ I will always remember Uncle Chuck's cool cars at Grandma's house and the way him & Uncle Tommy used to throw me up in the air & catch me when I was small. His laugh was hearty & contagious. We will miss him, but we do know he is in better, peaceful place. May God embrace Uncle Chuck & watch over his family now.

You are in our thoughts & prayers,
love, Chris & Bob###imported-begin##Chris & Bob
