“ My name is Jerry Schaefer, I was in the Marines with Charles from 1961 to 1964, in California, Okinawa, we served in the Cuban Missile Crises in 1962 as part of the blockade, etc. He was my best friend and I was unable to locate him after the Marines, but continued to look for him, unfortunately it was not until now that I was able to do so.

“ *To Captain Martin's Family:
I had the honor of being the
last trialman that the Captain
guided through my 1st year on the
job. I will never forget the time
that he spent teaching the things
that make it possible for us to return
home the day after we arrive at work.
Your husband, Father, Grandfather was
a great Fireman and his legacy will
carry through those of us that were
graced with knowing him. I salute all
of you and God Bless.##imported-begin##James Plieth##imported-
