“ I'm so sorry that Mr Naronzy has passed. He meant a lot to me as I
was growing up. I have fond memories of all his picture taking. I
have several the are framed and in my home. He was the one who
came over to the playground when I broke my arm at 7 years old.
I'm sorry for your loss. There's not enough time to send flowers, but

“ *The journey is ended. The battle is over. A beautiful life is finished. The time has come to leave the pain and depression behind. It's time to be with the Lord. HE has ordained that our Beloved Charlie return to his Creator for his reward.*

To your, Florence, and your entire family I send my love and condolences.

I have prayed for Charlie while he was with us, I will pray for him daily for the remainder of my days.

I will always be grateful to him for his kindness and love and generosity to the Orchard Lake Schools and to me personally. He has never said no to any request I made of him.

He will continue to be a loving husband, dad, father-in-law, grandfather, brother, friend from his new home in heaven.

My hug will come tomorrow in the Shrine-Chapel.

God bless you and console you in your sorrow.

*Dearest Aunt Florence

Jeffrey Charles
et al:*

What a year this has been! The tears don't stop flowing. I am sad that Uncle Charlie died. I am sad that he suffered so much emotionally and physically in the last three years. I am happy that Uncle Charlie is in the arms of the angels now and free of pain.

I imagine Uncle Charlie and my dad are in a heavenly darkroom enjoying a cool beer and having a few laughs. Or maybe they are taking a "how to" digital camera class. My dad, (Mike Kargol) always considered Uncle Charlie his BEST friend. Whatever they are doing, I am sure they are looking down on all of us with lots of love in their hearts.

If you need anything, you know you can call on me. I will keep Uncle Charlie and all of you in my prayers. I send all of you hugs and heartfelt sympathy.

*With Love,
