“ *I have so many fond memories of Aunt Chuckie--From summer weekends at the cottage in Lakeville, to her Christmas Day dinner parties with the Pastewski's she was always fun to be around and her cooking was amazing! I distinctly remember her love for Neil Diamond and how she would play his "record" on the record player at the cottage loud enough for us to hear it while swimming! I also loved when her and Uncle Dick would dance to Proud Mary at family parties--truly fun memories. She referred to my dad as her baby brother Bobby. My mom told me a story when she was pregnant with me and on her due date, she spent the day with Aunt Chuckie at her house on Edmore so when her contractions were strong, she could get to Bonsecours Hospital in Grosse Pointe much quicker then driving all of the way from Shelby Township and my dad would not have to miss work :) Whenever I saw her, she always gave me the biggest hug and kiss on the cheek and said oh Baby Stacy! She will be missed.
Sending hugs to my cousins, Linda, Nancy, David and Denise and your families.*

“ *Linda, Nancy, David and Denise. My love, prayers and condolences to all of you on moms' passing. She put up a good fight you all made these last three years comfortable and lovable with your time and attention. Mom and I had a very good relationship, she was more than a sister-in-law, she was a friend. I always enjoyed our visits and our phone calls. We had so many good times out at Lakeville. Mom and dad knew how to throw a great party. I appreciated all the help she gave me when I was sick and she took care of Stacy. I even stayed at your home on Lucky Place for a while until I was strong enough to go home. Mom had a big heart, a beautiful smile and an endless amount of energy. I loved visiting with her on Calvert Court. There was always a cup of coffee and donuts. I will miss her terribly but am happy she is at rest and with the Lord. My love to all of you. Aunt Geri*

To Char's children: Even though I came to know your Mom in her later years, I loved her spunky personality! You were so attentive to her needs and, by the choices you made for her, you gave her many moments of joy. Treasure all your happy memories. I wish I could come and pay my respects, but I'm sure you understand. You'll be in my prayers.

I worked with you your Mom for years, and she was truly a blessing to us all. She always had such a positive attitude, and so loved her Joseph and family. Dear Blocki Family, It was sad to see your Mom's obituary in Sunday's paper. I will always remember her fondly. She was always so happy, a very beautiful lady. I remember the last time I saw the family together as I played the piano at your parent's 50th. Anniversary. May she RIP and may you all find comfort and joy in knowing you had a lovely Mother. So sorry for your loss, your Mom will be missed by all who knew her. She was one of our Mom's first friends at The Legacy and all of you helped welcome her and us to the "family". May God comfort you during this sad time and may your memories help heal your hearts.

Auntie Chuckie was always smiling. She loved being around family. I will always remember many a Christmas dinner and how good her house smelled when we walked in. We were treated like kings and queens. It's amazing in her later years when I visited the nursing care facility, she looked up and said Hello Michelle, when she didn't remember other things. It made my day. Love to all of the family at this sad time. ❤️

My dear Charlotte,

I'm struggling to put my thoughts into words. Not because I don't know what to say, but because of the reason-to express my love for you and to say good-bye. Divine intervention led my empty nest syndrome to a beautiful friendship. I was so fortunate to work beside you for 16 years and to benefit from your wit and wisdom. Your work ethic was inspiring. They say if you make a difference in the life of one person you are a success. Well, you are a success many times over. Your genuine caring for everyone you met from the students, your coworkers, teachers, administrators and those lucky enough to cross your path made everyone love you. That is a rare trait. The last day for seniors each Spring meant some would stop by to thank you for contributing to their four years at Athens. It was a privilege to listen to stories about your family and your obvious love for them. So to them I extend my deepest sympathy. And to you I say thank you and rest in the peace you surely earned. Heaven is an even better place with you there.
