“*Death of a loved one is never easy, you have my deepest sympathy for your great loss. May you find an abundance of comfort in your family, friends and especially the future blessings found in Jehovah God's word. He has promised to swallow up death forever and reunite us with all who fall asleep in death. (Isaiah 25:8, John 5:28,29) As a God of love who cannot lie we can certainly trust all he says to come true. (1 John 4:8 & Titus 1:2) It is my hope that these words and the fond memories of your loved one sustain you through this most difficult time.*

“ *Parenteau Family,*

*I am so sorry to read about the death of your loved one. Something that helped me when my grandfather died was the bible's hope. It assures us God is near to those that are broken at heart and those who are crushed in spirit he saves. We read about this at Psalm 34:18. Yes, more than anything else, a relationship with God can help you to cope with the death of someone you love. My thoughts and prayers are with you and your family.*
