“ Our deepest sympathy to Walter and Dorothy Szatkowski in the loss of your daughter, Cheryl. Although I had not met Cheryl I know her twin sister, Nancy, quite well. She is my hairdresser. If Cheryl was all that Nancy is, then we know the world has lost a lovely person and a true friend. May peace be with you, your family members and all those who cherished dear Cheryl.

*Most Sincerely,
Penny and Bob Pagel*

“ Dear Sister Club Sisters!

In this really sad time, I would like to share the wonderful memories of celebrating Cheryl and Nancy's 50th birthday in California!

We stayed at a beautiful cottage overlooking the ocean in Marin County, we toured wineries in Sonoma and Livermore Valley, we drank good wine, ate good food and we walked among the huge redwood trees in Muir Woods and the houseboats of Sausalito.

Cheryl had never seen the Pacific ocean and the birthday girls wanted to put their toes in the ocean, even though it was February, cold and the sand was black and stinky.

We became the "Sister Club," Nancy and Cheryl, me and my sister Laura. The sister club has been our signature toast since California but it will never be the same without you Cheryl.

We know you fought the good fight, may you rest In peace, we miss you!

Love always, Barbara and Laura

“ My deepest condolences to all of Cheryl's family. She was loved by so many and will be missed by so many as well.

Cheryl had a big heart and was always there when you needed her. We were always there for each other.

She loved being a Nurse and when she couldn't any longer, it broke her heart as she loved helping people and helped many of our neighbors when they had surgery or had a medical question or concern. She was the most beautiful, sweetest person inside and out.

She had a deep faith and love for God and when I asked her to pray for someone, I knew that she would. Whenever I would lose something, she would pray to St. Anthony and I swear I would find it right away. It became a habit to call her when I lost something as I knew I would find it right away.

She loved her two daughters and her 5 grandchildren so much and would always share the beautiful pictures of her family.

Nancy I just want to say what a wonderful sister you were to Cheryl. She loved you so much and always told me how blessed and grateful she was to have you in her life. Everyone should have such a loving sister like you.

Cheryl was my neighbor, my dearest friend and my bike buddy. Loved our bike rides and our long talks that we shared with each other. The nights we had wine on my deck and was hoping that we would again this summer.

She lost her life too soon and I'll n never forget her and will always have her in my heart an prayers always.

Remember the good times and memories and keep them close to your hearts always. She was a blessing to everyone she touched

and we are all better to have had Cheryl in our lives.

I love you my friend. I know your Jake boy was there to greet you and lead you through Heaven's gates. Until we meet again.

“ *Cheryl was beautiful inside and out! Not only was she a friend but she cared for my twin nieces in the Nicu unit, she wrote a note and sent a picture to my niece who was unable to see her babies and it made a world of difference for her. She went above and beyond as a nurse. Cheryl I will miss you my friend 😭🙏😭*

“ *My heart is broken. I share so many good and bad memories with Cheryl. As you can see from Cheryl's smile, she was a ray of sunshine. When working as a nurse, Cheryl just loved being with the babies that she cared for as she was the most compassionate person not only to the babies, but to everyone she met. Knowing and being Cheryl's neighbor over 40 years, she really got the short end of the stick as far as her health went. No matter how much she hurt, she just kept right on trucking along with a smile on her face worried about other people. He beloved cats, Binx and Oreo are going to miss her terribly. I feel so bad that she never got to meet her dog Leo, in person other than in a picture, as she got sick shortly after she bought him and he was too little to bring home. I will remember the good times picking raspberries and making margaritas, but most of all, I will miss Cheryl calling me.*
