“ *Cheryl was much more than a waitress, she became a family friend over the years. We have been going to Ocean Breeze since it opened, and Cheryl was our favorite waitress. She always asked about our son and his family, our pets, and the squirrels in our backyard that she called the "Rockies". She shared bits of her life with us, too, and we will miss her so much. Our sincere condolences go out to her family.*

“ To the family of Cheryl Randall, our sincere condolences and prayers.

*We moved to Shelby Township in August of 2000.*

*Our daughter told us about a great restaurant in Shelby called Ocean Breeze.*

*Our very first waitress at Ocean Breeze was Cheryl.*

*She loved her job. She treated us and everyone else like we were her family.*

*She never failed to ask us about our two grandsons who are in the Marines.*

*She was just as excited as we were when Jason, the older brother was coming home from Afghanistan. He was totally discharged this past July. His brother Joshua has a little under a year to go.*

*We are sure we aren't telling you anything that you already don't know but we still wanted you to know how we felt about Cheryl.*

*We will truly miss her.*

*We wish to pass this comforting message to you and your family.*

*Anytime you feel like you wished you could give Cheryl another hug, please do the following.*

*Remember she will always be in your heart.*

*Wrap your arms around yourself and give yourself a great big hug. Think of Cheryl while you do this. Suddenly your heart will start beating rapidly. This is Cheryl giving you a hug. She will always be with you.*

*God bless you and your family.*

*With all our love.*

*Yes, we agree with you Pazin family, we have gone to Ocean Breeze for over 25 years & have know Cheryl as a true friend. We always asked to sit in her section just so we could catch up on all the news. She loved telling us about Hercules her little Yorkie & her 2 cats. If we didn't finish our fish she would wrap it up to take it home for her cats. She was a very kind hearted & loving friend. We have missed her so much & will continue to hold her in our hearts & prayers.*
