“ I am in awe of the relationships Cheryl had with so many. I knew she was a great wife, Mother, daughter, sister, niece.....friend. She touched my heart from the day she was born, always happy. She was a big part of my nephew & niece family and she left us with precious memories and deeper love for each other. Rest In Peace, Sweetie. I will forever miss you. Aunt Sue.

“ Sending Lots of Love and Prayers to all of Cheryl's family during this difficult time. May her Smile & all of the Wonderful Memories that she gave to all of you, help to bring you some comfort in the coming days and months ahead. I will always remember perming her hair back in the 1980's when Big Hair was in style. She was so Sweet & Brave for letting me practicing on her hair as I had just graduated from beauty school. Her Smile was the "BEST" Ever & that Smile gave me lots of confidence way back then. Always in Our Hearts! Love, Nick & Cheryl Molloseau

“ Happy Birthday Cheryl! Posting some fun pictures of when I last saw you March 2018. Phil was well enough then that he was able to go with us some days. “ Happy Birthday Cheryl. Every year on Oct 13, I think of you. This year, I would give anything to be able to tell you Happy Birthday. I will cherish memories of you and the fun we had growing up! I remember how proud I was of you when you played volleyball in high school and played against my school. I got to say you were my cousin and I cheered you on. And every time I stayed the night at Gramma's and you could come, it was always special! We would talk her into taking us to breakfast at Johnny's :) Thank you for the memories and I will miss you 🥺
