

## Chester Bara

December 16, 1928 - October 23, 2019

Chet was born in Detroit, MI to Frank and Eleanore Bara. He was the sixth child of seven siblings.

He served in the Armed Forces during the Korean War on a ship in Thule, Greenland. After his tour, he held various jobs, which led to his final career as a Design Checker with American Motors in Detroit.

Chet married his late wife Terry in 1955 and they had four children. Chet liked his beer and barbecuing ribs on a Sunday afternoon. He loved to putter around the house working on different projects. He was particular, organized and a neat-nick. Chet took great pride in his cars. Washing and waxing them often. The joke always was if you leaned against the car you'd slide off from all the wax. Chet's lawn was the most meticulously kept in the neighborhood.

Because Chet was a good, hard-working man, he was able to enjoy 30 years of retirement with his lovely bride that he affectionately called "my honey" or "Marucha" in Polish. He had a kind heart and a good soul. Even though his memory was failing him later in life, he was still very quick-witted and had a great sense of humor.

Chet loved his family, grandchildren and great-grandchildren.

Chet is survived by his children Kathleen (Mike) Prusaitis, Rodney (Sheryl)
