“ Chet,
We will always have the fond memories of your winter stays in The Villages. The weekly tasting of Jessie's new dinner recipes was always an enjoyable experience. We also enjoyed going out to our favorite local restaurants as your treat.
The golf matches were always fun competition as I would give you a stroke a hole except the Par 3's. While I usually won and we kept a tally, I never collected. It was friendly competition.
The Major League Spring training games we went to were most enjoyable.
You started visiting The Villages after Christmas and returning in April each year. Then it changed from November to May, to extend your enjoyment with the Florida sunshine and our company.
We were so sad when your winter visits to The Villages had to come to an end because of your health.
Our memories will remain forever. We know you are with Jesus.
Until we meet again.....Jessie and Ron

“ My dad, my hero, my friend. I love you so much. Thank you for always being there for me, for making me feel safe and loved. You taught me so much. I enjoyed all the times we spent together watching football and golf and just hanging out or talking on the phone. I miss you so much dad! Love always your little girl. Wish you were here!
