“ *Dear Dad,*

*A donation has been made to the University of Michigan Cardiac Care Center in your memory and to honor you and your life. The donation was made directly to UM's G. Micheal Deeb, MD, for his tireless effort to save your life. He was always available, regardless of the time or day, and often put your interests ahead of his own. He recognized your true qualities as a good and honorable man, and he told this to Duane and me on several occasions.*

*Thank you for everything Dad...you were always there.*

*Love always,*

*Trish*

“ Dearest Chester, How privileged I feel having made your acquaintance. You added a significant dimension to my life and all who knew you at Life Time Fitness. I can see you now holding court at the reception desk in the workout area every Monday-Wednesday and Friday, acknowledging each passerby. You were a beacon at the top of the stairs with your generous, mischievous smile and gentlemanly manner. You were magnetic! Who can forget your eloquent e mails expressing gratitude for the meager leftovers I delivered. They were so full of heartwarming gratitude. I've saved them all! My family and friends celebrated our dinners and outings together with the highest regard for you. I always loved that you felt it wasn't worth going on vacation without flying first class. I am consoling myself knowing that you are flying First Class straight to Heaven at this very moment. Fondly, Your Peanut Brittle Pal. Harriet

“ Chet, you are going to be forever cherished and loved by so many people. You always took time to provide support and lend an ear. Your friends at Life Time Fitness hold you on a pedestal. Chet you proved through perseverance and faith an individual will find answers and peace. I am a better person because of you Chet. We shared many laughs and found humor when faced with adversity. Thank you for being a significant influence to my family and me. You were like a grandfather to my daughters. Juliana and Valerie appreciated your genuine interest and will miss your visits to our house and trips to the movies. I will miss your exquisite emails, your witty and sharp remarks and your opinions on politics. I know you are still with us in spirit. Whenever I do a set of leg presses or the abdominal routine I will think of you (and hear you telling me how "pushy" I am). I hope your listening too your favorite music reading a great book and eating all your favorite dishes. Love ya Chet..your partner in crime, your Nutella provider and crazy trainer Cat. MWHAA!! GO BLUE!!
