Jesus must love you very much to have called you for Himself. You will still be loved, but most of all missed by everyone. God must have loved you most of all because He wanted You, even though He knew how much you would be missed. here. My prayers are for your eternal happiness, as well as prayers for those who will miss you the most. God bless all!

“...Those we Love remain with us,
for Love itself lives on.
Cherished memories never fade
because a Loved One is gone.
Those we Love can never be
more than a thought apart.
For as long as there are memories,
They'll live on in our hearts...”

It's so very difficult to find the right words to say but please know we are sending many thoughts of love and sympathy to all of Chrissy's Family and Friends. May the Love she shared continue to live on....and on....in the hearts of all who are a part of her Life.

“ No matter how long it would have been since we talked last, you were ALWAYS there for me! I remember going through a hard time last summer, and you were comforting with your words, and tried making me feel better by asking me to come to the Roseville fireworks, and to meet you up there. Unfortunately, I didn't make it, and I wish I would have! I know we have tried getting together a few times, but things just get so busy and crazy in life! I am lucky to have a friend like you! And I will truly miss you!! You are one of a kind Chrissy, and you will live in my heart forever! I love you girl! Xoxoxo!!
