“ *What a lovely person Chris was. Always a smile, never a bad word about anyone, easy to be friends with and gentle in all ways. These past years we have golfed and breakfasted together -- I think she liked the breakfast part best. Wednesdays just won't be the same.*

*To Chris' beloved family, my deepest sympathy. I do not need to tell you what a "Class Act" she was. So serene and stable, she was the type of person most of us wished we could be. Rest assured that no one will forget her or her shining light!  
God bless!*
