“ We are so sorry for the loss of your parents. I was so shocked and saddened to hear the news. If there is anything at all you need or will be needing, please do not hesitate to reach out to us. No matter where I am or what I'm doing I'll stop & answer that text or call.

MEMORIES ---- I have so many memories. Memories of good times & bad. Memories from long ago when we met in 1985 at the 1st Gym Spot Mickey Mouse meet, all the gymnastic meets, watching all our children grow up and become adults, having their own children, all our wonderful trips together. Your Mom was so so proud of you & Marcos -- she just loved all her grandchildren. Your Mom was like my big Sister -- when we met we clicked right away -- we just had so much in common. I will miss her so so much -- she was such a BIG part of my life -- she always was there when I needed to talk to someone & always gave the best advise. All our memories will always be in my heart. I know it is hard for you right now, but even in the face of death, God provided his children real hope for the future, hope that can never be taken away, Thanks be to Jesus: "They shall neither hunger anymore nor thirst anymore, the sun shall not strike them, nor any heat; for the Lamb Who is in the midst of the throne will shepherd them and lead them to living fountains of waters. And God will wipe away every teat from their eyes."

Revelation 7:16-17

We love you all & are praying for you & your family. Please know that we are with you in spirit and our hearts go out to your whole family. When you are ready to talk -- please know that I am always here for you.

*May the Great Healer pass His gentle hand over your hearts and souls as you come to terms with your loss. Our Deepest Sympathy,
Casey & Lydia Holik*

“ *I had the pleasure of meeting and working with Chris at Advanced Care for many years. Shortly after she started we became close friends. She was such a sweet kind hearted person with such love for her family and friends. Chris loved to tell stories from days past and we loved to listen. She will be greatly missed by all who knew her. Her grandchildren were the light of her life. Condolences to the family. May she rest in peace until we all meet again.*

“ Chris was an amazing, caring nurse I had the pleasure of working with for 7 years at Advanced Care. She loved the patients she cared for and her co-workers. We chatted and laughed most days and I can still hear her say "Oh Lord have mercy". She is greatly missed, heaven has gained a beautiful angel.
My deepest sympathy to the family,
Tracy Jed
