“ We were saddened and shocked to hear of Chris's passing. We will miss her and her smiling face. Life passes so quickly and we both regret that we didn't see enough of our old friend. We had many nice dinners and laughs with her. At work she always was talking about her girls and her beautiful grandkids. Our deepest sympathy.##imported-begin##Maggie and Bob Maguire##imported-end##

“ Chris was a joy of a lady and co-worker to me. Even though I had only known her since May of this year, she touched me deeply. We laughed a lot and complained a lot together. I enjoyed her sense of humor and love of life. I will remember you Chris everyday I come to work here at St. Anne's and find a note or a file you helped me with. Thanks for being here and brightening our days.##imported-begin##Jackie Vogel##imported-end##

“ Mom, You were such a wonderful woman, mother, and friend to me. I am so blessed to have had you in my life and to have shared with you the joy of the birth of my two sons. I am who I am because of your giving, infectious personality. A part of me is lost for now, but I now know that you are whole again with Dad by your side. I hope you know how much you were loved and will be missed. Please watch over us and keep us close to your heart as you are forever in our hearts. With all my love, your daughter Loretta##imported-begin##Loretta C. MacEwan##imported-end##

“ *My mom was such a great mother and friend to me. She was always there for me, no matter what the cost. She always made me feel special, never putting me down even when she knew I was wrong(which was quite often). She is such a huge part of who I am and I feel like I lost a part of myself. I will miss her more than words can say. I only hope she knew how much she was loved. So many memories, not enough space.I hold you and all you brought to my life close to my heart. I love you mom.
