“ *My deepest sorrow to you, Mary Anne, for this great loss. You know your loss effects all of us so very very much with sorrow. I am so happy I was able to meet Christopher if only a couple of times. He was a good soul and may you keep all the good memories of him in your mind and heart for the times to come. He will always be remembered. Love, Karen from Saturday mornings*

“ *Mary Anne, I am so sorry for your loss. I cannot even begin to imagine what you're going through right now. If it can be of any comfort, I would like to say that if there is ever really an upside to losing a loved one too soon, it would be knowing that you will always have memories of all the good times you shared together. I pray for your strength and peace of mind as you embark upon this journey without Christopher by your side.*

*Sincerely,
Val Clay-Bey*

“ Mary Anne,

It will be the little things that you will remember; the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that will help you to deal with the pain and bring the smiles back again. Thinking of you and your family during this sad and difficult time. You are all in my thoughts and prayers.

*Mary Anne-
I can't begin to imagine what you are going through right now.
May God bless and keep you and may the pain be no more than you
can bear. I only met Christopher once. He was a baby. The pictures I
have seen of him prove he was a beautiful man.
May he rest in peace. Love to you.*
