“ Chris,

While I had not seen you in many years, you and your entire family have always been in my mind and in my heart. I did not have the privelage of knowing you very well as an adult, having only seen you once the summer of 2009, but I sure remember you as a kid and it sounds like you got "better with age". You left all of us too soon for sure. My heartfelt sympath to the White family and extended family. We will see you soon...I'm sure your wonderful mother will show you the way.##imported-begin##Don Diedo##imported-end##

“ Chris, today I will say goodbye but it will only be until we meet again.

You were the sunshine in my life and always had my back as I did yours. We were a strange combination but understood each other so well. Always there for each other with an unconditional love.

Words cannot say how much I will miss you. You had so many friends and a wonderful family. I thank you for letting me be a part of your family and my heart goes out to them now for their loss.

You will be with mother and grandmother on the other side and fond memories will carry us through here. Try not to break all the rules Crissy.

A part of my heart goes with you.

“ Christopher was a great guy with all kinds of life in him. He lived hard, played hard and loved his family with all his heart. Christopher's sense of humor and knowledge of his work is much to be admired. I will miss you a great deal but get peace knowing that he is with his mom, grandma, grandpa and aunts and uncles and cousins who have passed before Christopher. May GOD be with this family in their time of need and may they find the peace they need in order to carry on in this world without Christopher... “ Our prayers and greatest sympathy go out to all of you at this stressful time. Chris lived hard, was a boatload of fun and was a pretty damn good guy. Never seen him without a smile and a joke to tell. Sheila and I loved him a lot though we rarely seen him, he always treated us like family when we did cross paths. We certainly are saddened by your loss. Your Mother I am certain is leading Chris up the path to the gates of heaven as I write this I am certain. May Chris rest in peace, and may all of you find comfort in knowing he is in a better place, with your Mom Alice.
