“ *i remember i came over seths house for the very first time and i had met christy and instantly told her how beautiful she was . i remember how bubbly her personality was and she was helping me pick out my next hair color which she did ! (She chose purple!) Christy gave me a girly goody bag with a bunch of nail polishes, makeup, and candy and sat with me and seth just laughing it up. She was such a good person and had such a good soul.*

“ I met Christy through Mike in our neighborhood at the terrace. She was hard in the mess. She had a very radiant smile always happy, always laughing. She's definitely a good woman. She brought the very best out of Mike Christy you will be deeply messed and never forgotten rest in Paradise...
