“ Remembering the good times and the hard times working with you sometimes made me really happy, you were a very good friend that I'm going to miss just talking to. Fly high in the sky with the angels.

“ I only got to know Clarence better the last few years, but we had a lot in common: We both loved Polish food & esp. the Country Buffet in Sterling Hts. And we also both loved sports, particularly refereeing high school games, since we both shared the hobby of high school sports officiating. I know Clarence especially enjoyed 'reffing' football games, where his nephews played: Hank, Jerry & Phil Bergsieker. Clarence was always fun to talk with & easy to laugh with. Liz & I will miss him very much!

“ Our prayers are with the Cook family at this very sad and difficult time. We have known Charlotte and Clarence for over 30 years as we are former residents of Shelby Forest. His annual "Santa" visits to children were very much appreciated. He accomplished many things for the residents of the manufactured home communities throughout the State of Michigan, which everyone appreciated! He was also involved in many charitable and community organizations, and truly left his "mark" on those organizations. Clarence will be missed tremendously by his family, community and good friends. Rest in peace, good friend!

“ Mr cook was a great man and a great neighbor with a heart of gold. He will be missed dearly. I have been fortunate to know him for over 20 years.It's not going to be the same around here, i will miss his random political debates and his fishing stories and in the summer asking me if im going to have some brewskis. Rest easy my friend as my thoughts and prayers are with you and your family at this time.

Our Optimist Club was better because we had Clarence as a member. He was the “watch dog” for our community and had our best interest in his heart always. We will always remember the community opportunities he brought to us. We will miss him and remember him always, Barry Burnham

“ *Charlotte, I’m so sorry about the loss of your wonderful husband, friend and father. He was a passionate Optimist, friend and community spokesperson. He always seemed to bring the fun factor to everything he did. By surrounding yourself with your children and grand children, you will be surrounding yourself with his essence and love. My thoughts and prayers are with you as you move through your grief. Pat Rabaut Miller*
