“ Dear Cousins,
I am so sorry I was unable to attend the services for Uncle Roxie. Gene has told me it was the most beautiful service he has ever attended. I am sure the gates were opened wide the other day when he passed through. You were all so very blessed to have your parents so many years.
I wish you all the peace and comfort of God's love. Love,

“ Dear John and family,
I truly believe that God told me to email you the other day and though it was sad to hear about your dad, I hope that it was comforting to know that you and I are going through the same thing right now...losing a dear parent. I didn't know your dad but after reading about him, you have been truly blessed for knowing him for 55 years! Our thoughts and prayers are with you.
