“ I have learned of Cliff's passing so late. Although miles have separated us since 1984 I hold the memory of his friendship dear. Peace and joy to Nancy and the legacy of love he leaves.

“ I was one of Mr. V's students 46 years ago. He was the best teacher Warren consolidated ever had. The man had a gift to make learning fun every day. Always had a wonderful smile and sence of humor. Always treating his students with respect and showing us what the future could hold with quality hard work.

“ Cliff and Nancy were our Neighbors for 25 years. By far some of the best Neighbors you could ever ask for. Cliff was always smiling and helping all his Neighbors. At times he would have his and 3 other driveways of snow plowed before we all came home from work. He was proud to be able to help others when he could.

He will truly be missed by all of us. God Bless and rest in peace!

“ Cliff was my best friend for more than 10 years. We went to dinner 4 and 5 times a week together with our wives and then back to the house for our favorite card game. We helped each other with projects at our homes, and looked forward to each day. I enjoyed his hunting lodge up north and the property where several deer were harvested.

I was always impressed with the way he would talk about his children, and the extreme pride he had when he shared with me the accomplishments of grandchildren .

I am sure we are all better people for having known Cliff and he is missed and will be missed more as time goes by.
