“ I remember when me and my younger brother were little and we would go fishing off the sea wall with Cody and his two younger brothers at my Grandpa Jim’s house. He was always the nicest friendliest guy whenever I saw him. I hope you’re with Grandpa now
❤️ Rest In Peace

I cannot fathom the thought of losing a child. I saw your post, just today about your loss of Cody. I wish I knew why but you were the best neighbor I have ever had and your children speaks a million words of how nice you all were and are.
My sincere condolences to you and your family. I loved you then and I love you now.

Michelle and I were pregnant at the same time for a few months. Once Cody was born I remember walking at the beach with you both
