“ Dearest Gerry,  
Colleen worked at Providence for a time. She was a lovely well thought of person. She is your daughter so like her Mother. She must have been born close to the time you became our Head-Nurse at Mt Carmel's ICU. How we loved you and loved talking about your family and our own.

I cannot imagine the pain you must be feeling after losing two daughters. Thank God we believe, as we do, in a forever in heaven with those we love. You and your family are in our prayers dear Gerry.

I wish I could be with you at the funeral but i am home with the flu and plan to call you next week.

Love,  
Mary Haggerty
