# Tribute Wall

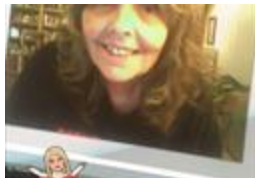

“ Connie Reich was "only" a Facebook friend. She was as gracious a person as ever lived, always smiling, always positive. If she had an iota of anger, no one ever saw it. She left the same way she lived selfless, and encouraging of others. She retreated without public fanfare to a losing battle against an illness. Connie, there are precious few people I personally met who were more than a faint shadow of what you still continue to be. I will always miss you. Rest in peace, my beloved friend.
