

Craig Michael Standish

February 21, 1959 - January 18, 2021

Craig Michael Standish, age 61, of Chesterfield passed away on Monday, January 18, 2021, at his home. Craig was born February 21, 1959, in Detroit to Charles and Rosalie (nee Lines) Standish. He grew up in East Detroit and later in Roseville. He moved to the Chesterfield area in 1992 and has resided there since. Craig was retired after working as a Custodial Engineer in the Grosse Pointe School System for thirty years. Craig enjoyed cooking, cars of all kinds and he loved his pets. He also deeply enjoyed music and was always the first to discover the up-and-coming new musical artist. Craig's sense of humor is one of the traits that we all loved about him. Craig was the beloved son of Charles and Rosalie. Dear brother of Colette (Tim) Durphey of Ortonville; Donna (Michael) Lincourt of Farmington Hills; and the late Kenneth Standish. Visitation and remembrance will be conducted from 2:00PM - 4:00 PM on Saturday, January 23, 2021, at Gendernalik Funeral Home in New Baltimore. Due to COVID-19, masks are required and there is a limit of 25 people. Memorials may be given Michigan Humane Society.

Tribute Wall

“ I have such good memories of Craig growing up, especially on summer vacation times during visits to our family's home. There was a lot of bike riding and board games, and the best parts were when Dad and Mom would take us all to the lake, and Kellogg tours where we would get cereal to bring home. Craig was so much fun to just hang out with, because he was just sweet and patient and funny. I so loved this part of our lives at that time. I am truly the richer for having Craig as my cousin.
