“ Frank, Jimmy, Jeffrey and Jason, I am so very sorry for your loss. Cindy and I spent the majority of our single life together and I have many wonderful, fun memories of our times together that I shall cherish always. Cindy was a wonderful person and I will miss her very much. We may not have seen each other very much once we had our families, but we spent a lot of time talking on the phone or at work about both our families. Cindy loved all of you very much and her first priority was always you. Her boys were her world (you too Frank). Cindy was a very good friend of mine for many years and I feel very lucky to have been her friend as well. My prayers are with you all.##imported-begin##Cindy (Galli) Sikorski##imported-end##

“ Dear Palazzolo family, I am so very sorry for your loss!! I wanted to tell you how special Cindy was to all of us here at Troy Beaumont Cardiology Srv--she was our colleague and our dear friend. Cindy always worked hard and was so kind to patients and their loved ones-she touched alot of peoples lives with her special way! Actually Cindy worked so hard and so fast that we nick-maned her "road-runner". Cindy was an incredible woman, she always bragged about you guys-her boys, she was so proud of you. You just know that she is with you now during this very sad time, you also know that she will be with you always--when your happily, when your sad, when you make decisions, and on into your futures--oh yes "Road-Runner" will be running around heaven watching you and helping you all the way! So know that you are in our thoughts and prayers and also know we loved your Mom and we are all better people for knowing and loving her.

Sincerely,
Terry Wagner##imported-begin##Terry Wagner##imported-end##

“ Dear Frank and Boys,
I have been so blessed to work with Cindy here at Beaumont Troy. We had many opportunities to talk on the weekends when we both worked. She talked about each of you so much that I feel I know you. We had lots of laughs about each of our children and learned a lot from each other. I believe she fought this battle so courageously because of her family. You know she would never believe you could survive without her! I have learned a wonderful lesson from Cindy, one that I will treasure for the rest of my life. In her worst moments, hearing all of the bad news she endured, she always had a laugh and ALWAYS a concern for someone else. I will treasure those weekends we worked together and will keep you in my thoughts and prayers.
