“ Dad....

*You have changed so much when you became a grandpa ( papa) to the girls. They adored you especially Ellie. She had you wrapped around her finger. You are loved by Allan and I, my heart is broken knowing this day is the last day I would see you, or Wednesday was the last day I would talk to you. You made 3 beautiful strong girls who will stick together and take care of mom. You are now at peace and out of pain. We love you very much dad!*
