“ My wife and I met Dale and Marsha at Target in Bay City, Dale and I became friends and always had coffee together. We talked about our Air Force service and we had many good times. We were sad when they both moved away. Dale will be truly missed by both of us and his many friends. Denny & Dawn Browne

“ I remember how competitive Dale and Gary were over the family rocking chair in Aunt Hilda's living room. Dale would try to get up earlier than Gary so he could rock before going to school. Sometimes there would be a fight and tears if they did not get equal time in the rocking chair. (Maybe that is how rock & roll got started. The boys were a little ahead of the times.) Good memories. Just finished saying a rosary for Dale. God Bless.

“ Uncle Dale, such a natural thing for me say my whole life, “what a great guy” always a role model for commitment, hard work and dedication. So many of his and dads stories of growing up in hard times and of all the moving around during his career but always enjoying life along the way have been an inspiration to me personally to weather some bad storms and stay the course. No matter how much time would pass between our visits, when we got together it was as though there was no gap and we would just pick up where we left off, always with his quick wit and little one liners that would leave me laughing. He always made laugh! Of course we all mourn for our personal loss of not having him with us, at the same time I take joy in knowing that he is in paradise, at home with God our Father. I have an image of Jesus, George and Hilda welcoming him into heaven with that big beautiful smile on his face.....and that is only the beginning!
With sincere love

“ *Dad showed me how to throw a ball, sew, cook, check the oil in my car, build a shed, understand the Bible, love God, and be self sufficient. I'm glad that he taught me those things and I'm glad that I took the time to listen.*
