We are so saddened to learn of Dan's passing Our sincere condolences to all of you. We were blessed to be neighbors of Dan and Barb in Royal Forest. We have many memories, but what stands out most was their commitment to one another. They were always together and always seemed very happy. “ Dear Family of Barbara and Danny

My memories of Cousin Danny begin in the early 1950s when my parents would drive us from Cleveland to Detroit to visit with Uncle John, Aunt Mary and their boys on St. Jean Street.

Later I was honored to be an usher in Barbara and Danny's wedding in 1957.

My many years in the Army serving around the world denied me, regrettably, the chance to visit the Fioritto family more often.. My wife, Jill, and I were fortunate to share in Barb and Danny's 50th wedding anniversary.

I am sure that Danny has been greeted in Heaven by his saintly parents, Uncle John and Aunt Mary, his saintly wife, Barbara, and his compassionate uncle, Don Antonio.

I will miss your father's warm smile and sincere concern for everyone he ever met.

“ *My sincere sympathy to the Fioritto family in the loss of your wonderful dad. What I will remember about him most was his devoted love for your mom. He barely left her side when she was sick. I happened to be both of their nurse on occasions. They are together again. He was very proud of his family. I'm sorry I can't be at his memorial service due to work. Please know you are all in my prayers.*

“ *Dearest Fioritto Family,*

What an honor it has been to share in the circle of love that your Mom and Dad blessed me with! Your Dad never greeted me with anything other than that beautiful smile and open arms to give me a hug. He was always the perfect gentleman and both your Mom and Dad welcomed me into their home as I visited them during your Mom's illness. Their legacy is the beautiful children and grandchildren they have left behind. Each of you, Mary Anne, John, David and Brian, have carried on the warm and loving qualities that you were taught by both of them. He will be missed, but fondly remembered.

Please accept my deepest sympathy for your loss, and accept my appreciation for the blessing of knowing Dan and his family.

“ *Mary Anne, John, David and Brian-*

My memories of Uncle Danny go back so far...from the chicken barbecues in the old neighborhood, to major family gatherings in the basement...and all of those photos on the walls! I will always remember looking at them fondly and enjoying seeing all the sports and other fun activities that you guys grew up doing together.

As many other people have commented, family was at the core of everything that he did. He had strong values and was a leader and example to the family, especially his brothers.

On more than one occasion I can recall my dad saying to us, "Uncle Danny would never have let me get away with that!" :) I know that my dad really looked up to and admired him.

When you saw him, he greeted you with a smile and a strong hug. You always felt at home around Uncle Danny. As I grew up, he and Aunt Barb were role models for what marriage and family life should be like. I remember how they treated each other and respected each other. It was inspiring.

My deepest condolences, he will truly be missed.

*Love,
Terri, Stew and the boys*

“ *Mary Anne, Brian, David and John,*

I will always remember the special Christmas Day celebrations at Uncle Dan's and Aunt Barb's. It was a wonderful tradition that I always looked forward to every year as a child.

Uncle Dan was a huge part of the foundation (if not the foundation) of our entire extended family. He provided guidance and love to generation upon generation. His legacy is family and love, first and foremost.

Our deepest sympathies.
