

Daniel Jon LeBeau

January 27, 1972 - June 25, 2025

Daniel “Bo” Jon LeBeau, age 53, of Troy, Michigan, passed away on June 25, 2025, after a short but courageous battle with cancer.

Bo was born on January 27, 1972, in Macomb County, Michigan, to the late Daniel and Maxine LeBeau. He grew up in Clinton Township, where his determination and vibrant spirit were evident from a young age—winning the softball throw at Huron Elementary’s Field Day, singing in the state honors choir at Wyandot Middle School, and bringing down the house as the Grinch in a holiday performance. He attended De La Salle Collegiate High School, where he played soccer and was ranked the #3 goalie in the state of Michigan, all while guiding his family through the profound loss of his father in 1985.

Bo earned a Bachelor of Science in Electrical Engineering from Lawrence Technological University in 1996, where he was active in Formula SAE. He went on to complete a Master of Science in Systems Engineering from Oakland University in 2000, followed by an MBA from Lawrence Technological University in 2008.

While Bo achieved much in his education and professional life, his proudest role was being a father. His sons, Lucas and Spencer, were his greatest joy, his best friends, and the center of his world. Bo had a lifelong passion for

soccer—not only as a top-ranked high school goalie but as a devoted fan of the game. He proudly passed that love on to his son Spencer, cheering him on and sharing their bond through the sport they both loved.

He is survived by his beloved sons, Lucas (Kayla) LeBeau and Spencer LeBeau; his loving partner and soulmate, Li Wang; his devoted sisters, Tami (Jeff) Sharpe, Kristi (Jeremy) Cline, and Ashley (Aaron) Thomas; and his nieces and nephews, Brittany (Kyle) Felix, Owen (Lexi) Hillock, Kevin Cline, and Jayson Cline, who all lovingly called him “Uncle Bobo”.

Bo is lovingly remembered by his extended LeBeau family, including his godfather, Steve (Becky) LeBeau, and his lifelong best friends—Todd, Ty, Anthony, Jeff, and Dave—who stood by his side in his final days, just as they had throughout his life.

Bo always dreamed of living near the water, and that dream came true when he found his home on Lake St. Clair. He loved being on his boat surrounded by his two sons, closest friends, and family, creating lasting memories on the water. He also loved golfing with his sons and friends, sharing laughter, friendly competition, and quality time. Bo and his partner Li loved going on walks together and also shared a love for all different types of yummy foods (he adored Li’s amazing cooking).

To those who knew him, Bo was unforgettable. He was the first to laugh when things went sideways and the first to offer support when someone needed it most. He had a brilliant mind, a sharp wit, and a hug that could calm any storm. Whether referring to loved ones as “Jackies,” playfully singing “If I Only Had a Brain” to his sisters, or convincing them to sing Jon Secada in Spanish during long road trips up to Escanaba, his joy was infectious. Some of his happiest moments were in the car with his sons, singing along to their favorite songs with the windows down and the music up. He never lost his sense of fun, adventure, or loyalty to those he loved.

Dan was surrounded by all of his closest, loved ones at the time of his death, which showed the amount of love he gave to others in his life and allowed him to pass on, letting him know he was never alone in his struggle.

A Celebration of Life will be held on Friday, July 11, 2025, from 12:00 PM to 4:00 PM at Wasik Funeral Home, Inc., 11470 E 13 Mile Rd. (west of Hoover) Warren. with a memorial service officiated by his uncle, Deacon Mike LeBeau, at 3:00 PM.

“ [Click here to share a memory of Daniel, who the heck is Daniel ;-\)](#)

Unbeknownst to both of us, Bo and I went to Lawrence Tech together and years later a common friend, Chris Stockman, would bring us together. I had the guys over for Summer Docktails and Chris was like "I swear Bo just bought a place in your neighborhood", Chris got Bo to walk over and we found out that we lived 8 houses from each other on the same bay. Bo and I quickly became friends, we always had a great time on the lake, but the best times were when Luc and Spence would LOAD the boat up with friends and we would sit back and watch them seize the day! I am proud to call Bo a friend and also thankful to meet great guys like his friends Jeff and Todd, leaving Luc and Spence with an almost infinite number of "uncles" to call on anytime they need to. Let's all move forward and celebrate his memory, Bo wouldn't want it any other way!

“ My condolences to the family.
I was blessed to work with Dan for a few years. He was patient and kind. He strived to bring the best out of everyone. He never tired of my multiple questions. He was a stickler about pushing the chairs after a meeting. 😊 He was definitely a favorite boss of mine! He will truly be missed. Rest peacefully Dan.

“ It is with a deep heart that I reflect on Bo and the type of young man he was. He was well loved and respected by everyone at DLS, especially his soccer family. What I remember most about him is how he made everyone smile and treated people like they all mattered. Never a negative word out of his mouth. Took accountability as a goalie and always had his teammates back.

Bo was not naturally gifted, he worked extremely hard to turn himself into one of the top goalies in the state. Hard work and motivation was his key to success. Bo helped to push his love for soccer to his son Spencer, who in his own right turned out to be one of the best in Michigan. He was a great father to his two boys and a great friend who touched the hearts of many. God takes the good ones young. We all love you Bo and will miss you, but never forget you. That smile will live with us forever. Rest in peace son.

“ What a great friend - high school memories driving in your Monte Carlo SS screaming to Judas Priest one minute and the next singing to AI B. Sure. Travel soccer with Carpathia Kickers and DLS Pilots soccer side by side, you in net and me right in front of you. You always played the protector, our savior, our goalie...I feel cheated that we planned to meet that weekend but I know it was hard for you and we said next week. I am truly saddened that you are gone way too soon, but so thankful that we had our time, great memories, and friendship. I feel blessed to have shared such a great friendship with you and I will never forget all the great times we shared. You are and will always be a true friend, rest my friend and know that you will always be remembered for that smile and laughter. Your legacy lives on in those fine young boys you raised. “Bo” love you, brother. God be with you!
