“ I lost my best friend, the love of my life and a wonderful father to my children. Words can not express my sadness and complete emptiness I feel without you. There is a whole in my heart that will never be filled. I will love you forever. I am so grateful for the time and memories we shared. I will cherish them forever. I can't wait till the day I see you again. I don't know why you were taken from me but I will try to be the best mother I can be for our children and never let them forget you. I love and miss you so much. If you are watching I love you this much, so no one can get between us
