“ I was just talking to a friend of mine about going to see my old friend Dan as I had not seen him since dropping in on him unexpectedly a while ago - always cheerful and light-hearted, he never could say a disruptive word and if he did comment it was in such a nice and erstwhile way. I'll miss the times with Dan attending baseball and basketball games, and lunching with him and Mary Lou and the discussions and comments we shared. While in high school in Flint Dan would sit in my car in front of his house into the late evening and we would talk about life, love and happiness along with what we knew about politics at the time. Dan, I will miss your smile, friendliness and easy going spirit.

“ Our thoughts and prayers are with Danny's family. Gene and I were  
classmates with Dan at St. Agnes, Flint MI. What great memories of  
sharing 12 years together as members of the Class of 1958. We will  
miss seeing him at our reunions and golf events.

“ He was one of the charter members of the St. Agnes band along  
with myself. He asked me for a copy of my book at the recent  
reunion and we had a chance to reminisce for a while. Always a  
great guy and friend. My special condolences to his brother Mike,  
both cousins of mine via our Aunt Marge and Uncle Rod.

“ I never had the privilege of meeting or knowing Mr. Montpas. However, I do know one of his amazing children, Pam. Pam, my heart aches for you and I know your feelings. You are a special person and I know your Dad must have been proud of you. I remember one of our last conversations and you talking about your Dad. You were proud too. I'm here for you and will forever be your friend. Rest In Peace Mr. Montpas and Godspeed sir.

“ Uncle Dan loved his family, family parties (playing the part of Santa) and he loved to play Euchre. Heaven forbid you played against him and Uncle Larry! He had an infectious laugh and sense of humor. Thank you so much for the family movies you made over the years and making DVDs for all us! You will never be forgotten and will be forever loved! Until we meet again... Hearts for my partner❤️
