“ *My big brother!
It's difficult to see each other when you have spent the last 50 years 3000 miles apart. However, I know this, Dan has never changed. He was always kind, caring, helpful and protective of the family he loves so dearly. And, to those individuals who were lucky enough to cross his path. He was a shining example of what makes a wonderful human being. The Lord now allows him to join our sister and parents forever. May he rest in peace.
Love ya, Ron*

“ Our son, Todd Graskewicz, played soccer with Corey Steel for many years so my hubby and I were very lucky to consider Dan and Janet as family. Dan was the nicest man anyone could meet with a great sense of humor. He will be greatly missed here on earth but will be reunited with Janet. Rest in peace, our friend!

“ We've known Dan for over 40 years and enjoyed many long dinners and drinks over those years. There was never a lull in the conversation when you spoke with Dan. He loved talking about his sons and their children and what a great life he enjoyed with Janet. He lived a long life and will be remembered fondly for years to come!

“ We have so many fond memories of Dan. Relaxing on the porch for cocktail hour, with him, telling stories, living the best life with our beloved neighbors Janet and Dan.
He will be missed deeply. 🥹
