“ To hear of your lost has sadden us. Our prayers and love are with you. God created humans with a yearning to live forever. The Bible says that he put “ a sense of eternity in their hearts.” Ecclesiastes 3:11. Our first parents, Adam & Eve, were created perfect, with no defect in mind or body. (Deuteronomy 32:4) Imagine-no chronic aches and pain, no morbid fear or anxieties! Why, then do we die?##imported-begin##Lee & Irene Keyes##imported-end##

“ Dan,

Wow, I dont even know where to start! Since the day I met you, you've have been there for me. Your sense of knowledge, your love, your laughter and happiness. The love that you had for your little girl and (wife/ girlfriend). No one could do it better than you. You were an amazing guy with a huge heart for anyone and everyone! I miss you so much and I wish I could have said Goodbye, but unfortunatly that never gets to happen. Life isnt fair, I believe everything happens for a reason butits hard to believe why God would take a Friend, Father, Boyfriend, Son, and everything else you meant to everyone away! Well to me, it doesnt, Not this time and NOT this early. Ughh you had so many years ahead of you but I guess its what you lived before that counts, and you were happy! I know God will walk you and everyone else through this hard and misserable time, and I believe that there is no better or more perfect place than where you are right now, so until I can see you again, keep on being you, the best dang guy there is! And I cant wait till I see you again. My thoughts and prayers are ALWAYS with you! I love yah xoxo!

To everyone that lost Dan,

If you need anything.. and i mean anything, I am here for all of you. Dan was a dear friend to me, and it hurts me so much to lose a good friend like him so I can only imagine the pain you are going through. Remember, he isnt gone for good, you will all be seeing him again, in a better more perfect life that he and you deserve. It will be hard to not have him around but he is in good hands now and is always with all of us in our hearts! I am here for anyone and everyone and I am so sorry for this to happen. My prayers are here for everyone!

I'm Sorry I missed the funeral, I wish more than ever i could have been there but I will visit where he now lays!

“ Dear family members I just wanted to extend my sympathies to all who were touched by the loss of Daniel. I like to reflect on encourgaing thoughts from the Bible when such tragedies strike a family. Please draw comfort in knowing that our heavenly father promises to look after "orphans, and widows in their tribulation".- James 1:27##imported-begin##Nikki##imported-end##
