“ Darlene and Family,

Please accept our deepest sympathies in the loss of Dan. Dan and Lenny worked at Champion Spark Plugs many, many years ago. They also "jammed" at Dan's apartment in their younger days. We are very sorry to hear of his passing and we wish Dan godspeed. We hope that knowing friends and family care will ease the pain you feel now. Again deepest sympathy and God bless you all. *"Danny" I think of you quite often. I just discovered a cassette from 1972 that was recorded at your apartment. It Was you, Lenny Monarch and myself. We were actually pretty good! RIP
