“ I remember when I first met Dan. I'm pretty sure it was for my very first family Bertrand family reunion. We were sitting around a campfire and he kept asking me to say certain words. I'm from Pennsylvania and he thought it was the funniest thing that I had an accent. He got me to say spoon, creek and creek. He laughed so hard me. I told him I didn't have the accent that he did. Dan was a good man always had a good time. Gonna miss you. May you rest in peace.
