“ *I am very sorry to hear about Darien. I am the sister of Rob Urban. Darien took me to my first rock and roll concert. I have not heard from him since high school but remember him as a great and funny guy! I will keep you in my prayers! Again, I am sorry!*

“ Darren & Colette,
I wish I knew what to say besides I'm sorry. I have to believe that at least now God will take care of Darian and that he's not hurting anymore. My prayers are with you & your family. If there is anything I can do for your family don't hesitate to ask.

“ I didn't know Darian that well, hardly at all, but during the last 6 months he tried to be a friend to me while he was having difficulty himself. I will never forget that attempt at kindness. I believe that God will help his family through this and please know that there are prayers and thoughts with all of you during this time of grief.###imported-begin###Sue Godlewski###imported-end##

We know that you have had some struggles over the last couple of years and we thought we tried to help you get through them but god had a different plan for you. “ *When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us. I am truly sorry for your loss.*
