“ I first met Darlene after moving to work at Valenite in Madison Hts., we quickly found things in common and became friends. Everyone was drawn to Darlene because she was such a positive, good person.....helpful and always thoughtful. We shared many laughs and stories along the way, and her quick wit made everyone smile. She took time to show me around after I moved here, we shared a Polish heritage. I know she is smiling in heaven right now. Enjoy your new adventure, Darlene. Love and prayers.

“ Marilyn, Bob and the rest of the family, please accept my deepest condolences on Darlene's passing. Her smile and sense of humor are what I remember best. Loretta and I would certainly be there except we are in Vegas to say our final goodbyes to my brother. He suffered a massive stroke in July. Please know that all of you are in our thoughts and prayers for this tragic loss. God Bless you all.
