They were indeed the good old days! I am Julia Smetanka, Ethel's youngest daughter. Darlene has been a special part of my life since the moment she allowed me to babysit for her kids. Throughout the years, she became not just a neighbor but a friend of whom I will always treasure in my heart. Darlene's smile, laughter and her genuineness will live with us forever. We are all blessed that our paths have crossed because of Darlene. Allow the memories to live for I believe memories will carry us through our tomorrows. Julia (Gawlowksi) Smetanka

“ We were lucky enough to live next door to Darlene and Wally for 20 years. Our kids grew up together "On the court". I have no pictures of Darlene, as mom's we were the ones taking the pictures. How apt that Darlene's middle name is "Joy" as it fits the laughter in her voice and the light that was always in her eyes when we met. I am happy I shared a wonderful time of our lives, when our kids were young. It is much too soon for her family and friends to have to say goodbye. I hope and pray that their faith and memories can help ease their hearts in the coming days and years.
" Those were the good old days".....our prayers are with you.

“ Dear Mr. Walter and family,

It was always wonderful visiting with you two when we came down to Florida to visit my Dad, Fred and his wife Gloria. Sorry we are not able to make it to the funeral. Just wanted to let you know that you are in our thoughts and prayers.

*God Bless,

“ Dear Bob -- You and your family are in our thoughts and prayers during this difficult time. Darlene was a classmate and friend. The class of 1961 will miss her dearly. Whenever in life I think of my brother Larry, I find it almost impossible to think of you as you seemed so inseparable...usually on the water. In deepest sympathy,
