“ Everything was more fun when Darlene was around. You just couldn't help yourself. She was so bubbly, imaginative, creative and easy to make laugh. She was always finding new things for us to do. We especially loved going on cruises with her and Ken through the years. Darlene has been my “partner in crime” since junior high school and I am so very lucky to have been a part of her life. I will miss her dearly.

In the Wolff family I am known for my corny jokes (I call them groaners). When Ken and Darlene were engaged and at family gatherings Darlene would laugh at my jokes. After they were married she continued to laugh at my jokes. I told her that since she was now family, she could groan at my jokes like everyone else. She said, "Oh. okay". After that she would groan at my jokes like everyone else, but she would also laugh. So I agree Darlene was easy to make laugh. Of all the many things I will miss, I think I will miss her laugh the most.

“ Darlene was one of the most nice and gentle persons placed on this earth. Her kindness was exemplary of a life worth living and she always thought of others. But she was strong - a source of strength to her family and friends. And, oh, the courage she exhibited - she's an amazing soul and I'm so proud to be her sister.

“ My deepest condolences to Ken and the immediate family during their time of great loss and sadness. May all of the happy memories that you have made with Darlene comfort you in the days to come. We had a lot of fun hanging out together just out of High School, fond memories with good friends. Paula Mrozek.
