“ Darryl- It was such a pleasure working with you at General Motors. I so enjoyed going into the CMM No.3 and listening to all your stories. You told them so well. Darryl, you sure did love your golf. Most of all, it was so nice seeing a Father, Brother and Uncle that was loved so much by his family. You will be truly missed. I am grateful that I knew you.##imported-begin##Nicole F. Goyer##imported-end##

“ Darryl -

We are so thankful to have known you and to have known your kind ways and sense of humor. We will never forget your support and help during our Uncle Tony and cousin Denise's funerals. You made everything a little bit easier and now they can thank you themselves in person in a better place. You will always be remembered with a smile.
