December 10, 1968 - December 21, 2018

Daryl Y. Brown, born December 10, 1968 and passed away on December 21, 2018 in Detroit, Michigan at the age of 50.

Loving husband of Jennifer Faunce and devoted father of Dylan and Samantha. Dear son of Katherine and the late Yewell Brown. Dear brother of Joel (Beth) Brown, Lloyd (Krystin) Brown and dear brother in law of Matthew Faunce, Suzanne Faunce (Ben Liston) and Geoffrey Faunce. Dear son-in-law of Sherman and Dorothy Faunce. Dear uncle of Jason, Justin, Connor and Sophia.

Daryl lived much of his life in service to others. He served the city of Sterling Heights as a police officer for 26 years. He worked as a Patrol Officer, a Narcotics Officer and spent many years as a Sergeant in the Traffic Safety Bureau. He served the Catholic Church through the International Order of Alhambra. Daryl was active in supporting the Hemophilia Foundation of Michigan. He was active in the Gaelic League Irish American Club of Detroit. Daryl loved spending time outdoors pursuing activities with his family. He proposed to his wife during a ski trip and relished his time at the family cottage. He loved hunting with his son Up North and coaching his daughter's Cross Country teams at both St. Anne Catholic School and at Regina High School. Daryl looked forward to his annual fishing trip in Alaska with relatives. He was an avid runner who competed in 6 marathons.

Daryl loved cheering for the MSU Spartans. He held the title of Tailgate Host

Extraordinaire. He enjoyed volunteering to cook for a local restaurant and was always looking for new recipes. Daryl loved getting a good deal for any transaction. His brothers joked that he was an honorary member of Costco, Sam's or any other discount or coupon club.

“ *Jennifer, I have been thinking about you, Dylan, and Sammy this entire week. The news about Daryl is devastating. My heart is breaking for you all. That you are or will eventually find solace in receiving the love, prayers, thoughts, caring and condolences from SO many people who are also grieving Daryl's loss with you is my hope and prayer. That Daryl was so well respected, loved, and appreciated by those he touched is a true testimony of how he will live forever in the hearts of those he touched. His sudden and senseless passing is a great great loss. Know that my heart and my prayers are with you, Jennifer, and that I have never and will never forget how Daryl, you, Dylan, and Sam have touched my own life. Know, too, that I will be happy and am here to support and help you in any way you would find helpful. With much love, Danna Merritt*

“ Our condolences to the entire Sergeant Brown family. We met Sergeant Brown 8.5 years ago when our son Craig was killed in a fatal car accident. He worked with us throughout the legal process and we stayed in touch afterwards. My husband and Sergeant Brown would periodically call each other sharing stories on gardening, fishing and asking about the family. We would make fresh zucchini bread (zucchini from our garden) and bring it to the station, only to see that warm welcoming smile on his face when he seen us. He had a heart of gold; such a compassionate gentleman on and off his job. He would stop by our sport shop randomly just to check up on us during and after all the legalities. We like to think that our son Craig was there to welcome Sergeant Brown into Heaven and share a hug or two, thanking him for his kindness and service to us in these last 8.5 years. Thank you for being a part of our family Sergeant Brown and sharing the love you have for your family and others through your stories and your compassionate heart. You will be greatly missed by many....Rest in peace Sergeant Brown...We pray for strength and comfort to help your family through this difficult, sorrowful time. ~ Love, hugs and prayers - Raad & Vicki Ankawi and family

*i will share a funny story of Daryl...we were young students at Macomb in law enforcement program taking Howingtons lab class. I had struggled to get my headlight project completed where you took a broken lamp and put it together to see if it was on or off at time of traffic accident. I turned my back and Daryl took a hammer to my lamp!!! when I turned around it was shattered in hundreds of smaller pieces...Daryl smiled at me....God Bless you my friend...RIP*
