“ It is so hard to pick a memory about our life-long friend, Daryl. The first time I saw Daryl, he was single-handedly carrying a huge, overstuffed chair into our apartment complex. I seriously wondered who or what was moving in across the hall from us! We soon found out: beloved friends for life and comrades for Jesus! Daryl will always be the big guy who gave our son, Aaron, horse rides on his back from our apartment to theirs and the Incredible Hulk (as that is what he came to our fall party as!!)--he was a natural! Daryl, you will be missed, but we are so thankful, because of your faith in Christ, that you are praising Him in Heaven. The Lord keep you in His care, Sherri, Kristi, and Matthew! Ps. 116:15 "Precious in the sight of the Lord is the death of His godly ones."

“ I am still in shock over the news, I was informed of last week. My families prayers and condolences go out to you and your family in this hour of loss. Daryl worked with me for many years in the Weapons PSID at TACOM. We spoke many times through out the days mostly about faith/fishing stories. We spoke a lot about where the fish were biting best, so he could paddle his kayak up down the river and fish to his fullest. HE always amazed me he how paddled up and down the North Channel against that strong current. He also accompanied several times out on my boat to go fishing with me and other friends for walleye. His zest for life will be missed, but I rest easier knowing exactly where he is now in heaven. The Sayers Family

“ Daryl was a very good friend since they came to Michigan and Kensington. He was a quiet, gentle and peaceful man, but with a strong will and strong convictions. He is a great example to all Christians on how to live and treat others, the best I know. He spent a lot of time and effort bringing others to God and touched and will touch many, many lives. He went too soon, but surely is in a better place. Sherri, Dwell in God's Peace. We love you, Bob and Joan

“ He tried to teach me to ride a motorcycle in a cornfield stubble by my house. Got a muffler burn on my leg. Fun times cruising York at night with him in the back seat, arm hanging out the window. Scouting together in the cold. He always had your back. He was Yorks Heavyweight Champion of the World. Moose.

“ God's Blessings to the Daryl Meyer family especially during this time of the unexpected loss of Daryl. We were colleagues in my final years before I retired a year ago. I will always remember Daryl's passion for making things right for our great soldiers. Daryl is an excellent example of an American Patriot. Thank you Daryl for your commitment to America. We will deeply miss you.

“ *Daryl's a Gentle Giant of a Man. He wrestled while attending University of Nebraska and I'm sure he was a force to reckon with. As a next door neighbor, and friend, there is no one I would rather have by our side. He really liked and enjoyed using his Snowblower which made life for a lot of us much easier after the winter snowstorms. He took full advantage of Michigan's natural resources over the past 10 years living here. He enjoyed ice fishing, biking, hiking, canoeing, kayaking and riding his beast of a motorcycle. Daryl's such a rare gem of a person. I'm a better person for being his friend and next door neighbor. He will surely missed However; Never Forgotten...*

“ Dear Sherri, Kristi, Matt and grandkids. We are so shocked to hear this news. Our hearts and prayers go out to you all. It must be so hard and sad. Our God is still in control, we know Daryl is in a great place with Jesus our Lord - yet it is so difficult to understand and so tough to carry on without him. We have great memories of our times together in Davenport while we all served on various ministries of Grace Evg Free church. The "Men's Game Night", which Daryl helped start, continues to this day as a fellowship time for the men of our church and friends. We can only send our deepest condolences and prayers for God to comfort you and help you through this rough time. May the peace and love of our God shine in your hearts now and always. Yours sincerely, Helmut & Thea Welke

“ My deepest sympathy to Sherri and family, I met Daryl though work and am honored to be able to say he was a friend. I will miss his 0630 phones as I was driving to work to talk about work. I had spoken to him last Thursday, and he was excited to be going to Atlanta this weekend for the birthday party and to see the grand-kids. While he may be gone in body, his spirit will live in us forever.

“ I knew Daryl as coworker and as person that would generous give you his time to talk. Never a truer statement made by Daryl to me that I have remember to this day "God and people are our greatest strength, our most valuable asset in this world and that we can never give up on this world in good or bad times". At a time when sorrow may seem overwhelming, allow the Lord to be your comfort. God will tenderly comfort you, he will give you the strength to endure. His strength and the prayers of other will carry you through until the memories become more precious than painful. Thinking of his family at this time of sadness and sending heartfelt sympathy to his family. RIP Daryl - Kathy Coe

“ I am so sad and sorry it was Daryl's time to leave us and go home. My wife and I met Daryl and his wife, on a Christian cruise several years ago, and have occasionally gotten together to share our lives. To me, Daryl was one of Jesus's shining examples demonstrating His fruit (love, joy, peace, patience, goodness, kindness, faithfulness, gentleness, and self-control). Leo LeVon
