“ *Rest in peace, Mr. Allen. You were absolutely, hands-down, one of my favorite teachers. You really knew how to connect with those you taught and made learning fun. You also knew how to throw some serious jokes out at us because you knew we needed them (and could handle them). I will remember you always. ❤️*

RIP Mr Allen one of my favorite teachers and neighbor on Marvindale. He gave me confidence to pass chemistry and to go to nursing school. What a lovely smile and quirky personality. ❤️ □ Chris Hazelton, Denver

“ Dear Allen family and friends, I celebrate the life of a great teacher and man! I was a student of Mr. Allen at Clintondale in 1977. his great sense of humor is as legendary as his effectiveness as a teacher. I have so many fond memories and joy from a tough subject. After 35 years, I retired two years ago from Eastern Michigan University Chemistry department. Thank you, Mr. Allen! Well done and Godspeed! May the great memories of his life overwhelm the pain of his physical loss!
