“ My deepest condolences to the Detmer family. I knew Dave from the Big Family golf outings initially as friend of Jim Eley, but over time got to jam a bit with him and got to know him. He was a genuinely good guy and we will miss him. God Bless him and all who knew him. We will Rock On in your memory! 🎸🍺🎸

“ This guy was a Rock Star on and off the stage! Coolness surrounded Double D! He was unflappable, pragmatic and made Iroquois Industries a better Company. I will miss his subtle sarcasm and earnest laughter. Cheers my Friend.

“ Dave is a real gentleman. We have worked with Dave here at GM Driveline for the past 5 yrs, he was always helpful. Beyond work, I had the honor of playing golf with him, he is always humorous & very kind. Rest in Peace.

“ In reflecting back on all the good times of hanging out with Dave I particularly remember his wonderful smile and his kind heart.

Our mutual passion for music and drinking beer is where we fundamentally connected.

I'll always carry with me the many happy memories of being at a concert with Dave, Donna, and my wife Karen.

...And who will ever forget the jam sessions we enjoyed at one another's house parties!

Love you man, you'll be missed!

“ *I don't know where to start David. When I saw the obituary I couldn't believe someone with such a young soul could be gone so quickly. From the day I met you at Violet, I knew you were someone that would forever hold my heart. Watching and waiting for you sitting in the sewers at Violet, to running and playing softball with Mario, Dawn, Dennis, Gary, Rosie, Jeff, Joe, Chris, and way too many to list. Our lives were full of adventure, tears, laughing, loving, sharing and supporting were the best time of our lives. Back then you were more interested in your cars than in music, but what a turn you took. All the memories on this page just pay tribute to who you were. Always willing to help. I am truly grateful you found someone that loved you and wanted to share the rest of their life with you. I have memories of you that I hold in my heart. I couldn't believe the day I ran into you at ITT when you were visiting someone and I turned the corner and ran right into you, it was like we were kids again. RIP David, I know you are sitting with your mom. xoxo*

“ It is with a heavy heart that we must say good-bye to our good friend David Dettmer aka DOUBLE D. We have been friends with the Dettmers since Dante G. Russell and Dave Dettmer started playing Romeo Reds travel baseball together in 1997. We fast became close with Denise Dettmer and Danielle Dettmer and the kids and our daughter, Lauren Marie often joined in on all the fun we had over the years. David and Dante ended up as college roommates at Ferris. Suffice it to say that we WERE FAMILY. Dante always looked to David and Denise as his second parents. We had so many great times and parties together. Cooperstown and the DREAM TEAM is a week we will NEVER FORGET. Dave invited Chuck to his annual golf outing over 20 years ago and Chuck was able to spend time with him in August on the links. We will forever remember Dave as a kind and gentle man and one of the best Dad's a kid could ever hope for. When he spoke of his grandson, Logan, he was full of love and pride. Friendships like this are rare and special. We will forever remember the good times. Rest in peace David and play that guitar in to perpetuity.

“ With the smile of a king, the soul of a bluesman, and a heart like the ocean, Dave was a remarkable human being. An extraordinarily fond memory which we share was our first time meeting at the Ritz, in Detroit. I recall there being only two people in the audience that night, one of them being Donna, and the other, Dave. He always held us up like the mighty man he was, even from the days of when we were just some kids playing. That rare mark of love and support carried on without a waver in the wind throughout the years of knowing him. Looking back at an additional memory of watching him play *Once Upon a Time* in the basement, I'd never seen him happier then. He'll always be remembered fondly as that man and will be immensely missed. All our love to his family. Rest easy Rolling Stone.

“ I always loved hanging out with Dave. My family met him and Donna through their love of music, but we became friends because they're wonderful, sweet, fun people! One of my fondest memories is one of his birthday parties some years ago. When the band started playing, he actually let me walk up to a mic and sing - it was so much fun! One thing about him that was so special to me was his way of focusing on me in our conversations. He actually listened and really cared what I was saying. It made me feel special, and I'll always appreciate that. He was a beautiful soul and I will miss him.

“ Dave not only was an ice hockey dad but a true asset to the Romeo Ice Hockey Program when it all began years ago. He always volunteered to organize our golf outing fundraisers. He along with Denise spent many hours recruiting sponsors, setting up, gathering and organizing raffle prizes to make these events a success. I can remember going to our very first Regional Playoff Game in Flint and when we got there our coaching staff forgot the bucket of practice warm-up pucks. Dave hurried to Perani's Hockey World in Flint and bought a few dozen to make it back just in time for our team to take the ice. Whew, thank you Dave!!
Our hearts go out to Denise, Danielle and David. You will always be a part of the Romeo Ice Hockey family.

“ Dave always gave me words of encouragement and showed me nothing but sincere friendship. I will forever remember the gatherings in his and Donna’s basement and watching Dave light up when everyone started singing and jamming . He sat with me one night at a Greta Van Fleet show long after I departed from the band and he took more joy in watching how proud I was that night at The Fox and he was absolutely always the most genuine human I have ever known. I’m heartbroken and Dave will missed and missed dearly by so many. We truly lost a great man today.

“ From Violet El through playing in our band 6 Pack, I always thought of Dave as a great person. Dave did great raising his children Dave Jr and Danielle as an exemplary father. I truly enjoyed Dave's friendship. The stories of the past flew between Daves great friend Gary J Hardy, Dave and myself. Dave worked hard and played hard. Dave will be missed by all he touched in our lives.
